MEMORANDUM FOR: Deputy Director for Administration

FROM:

Director of Training and EducationSUBJECT: Increase in Awards for Studies in Intelligence

25X1

1. This asks that you approve an increase of \$3,500.00 in the funds currently available to the Director of Personnel to allot prizes to those authors whom the Editorial Board of Studies in Intelligence deem have made a significant contribution to the literature of Intelligence in any given year.

2. The initial grant of \$1,000.00 was approved in 1955. That amount was increased by \$500.00 in 1981, making a total of \$1,500.00 to be apportioned among four or more prize winners. Those sums are hardly meaningful in today's world and do not accord with other stipends awarded by the Agency.

3. With the \$3,500.00 increase, a total of \$5,000.00 will be available to the Board. For the moment, the Board has decided only to attach a \$2,000.00 stipend to The Sherman Kent Award -- the highest recognition it extends. The Chairman, with the approval of the members, will apportion the remaining \$3,000.00 to the other prize winners.
